Education

BS	Norwegian University of Science and Technology , Computer Science	Aug 2022 – Jun 2025
High school	Jessheim videregående skole , Studiespesialisering	Aug 2018 – Jun 2021

Experience

Hoggorm Design A/S , Security Engineer and developer <ul style="list-style-type: none">I am a board member of a newly established company that provides website solutions to individuals and small businesses while also managing these systems. I am responsible for ensuring the security of the systems we create is top-notch, as well as assisting with frontend and backend solutions. This role has allowed me to deepen my knowledge of TypeScript, React, and Astro.	Trondheim, Norway Sept 2024 -
Airport Retail A/S - seasonal , Warehouse worker <ul style="list-style-type: none">I worked in the warehouse, where I was responsible for transporting goods to the store four times a day and for receiving new orders.	Gardermoen, Norge jun 2023 -
Norwegian Armed Forces , Guard solidier <ul style="list-style-type: none">I served at Evenes Air Base during "Førstegangstjenesten", where my duties included patrolling in small teams, sitting on watch and dealing with stressful situations that arose during deployments. In addition, I was QRF leader for a period, where I had to coordinate call-outs for my team.	Evenes, Norway Jul 2021 – Jul 2022
Ullensaker Orienteringslag , Coach <ul style="list-style-type: none">Assisted head coaches with setting up training sessions. Taught orienteering skills to children from 8-12 years old	Jessheim, Norway Aug 2019 – Jun 2021

Voluntary Positions

Student Media , IT Developer <ul style="list-style-type: none">Working on a project called EMNR, which is a website where students can review and read reviews of courses.Here, I became well-acquainted with React and TypeScript in the frontend, while in the backend I got familiar with Docker and Django. Additionally, I have taken on greater responsibility as the incoming project manager for EMNR, which involves weekly meetings with the rest of the team and delegating tasks.	Trondheim, Norway Sept 2023 -
